Dear Sir:

This statement is filed in the application identified above pursuant to 37 CFR §§ 1.56, 1.97 and 1.98. Applicants call attention to the art references within their knowledge, as well as the knowledge of their attorneys, and are citing such references on the enclosed PTO Forms SB08A and SB08B. No representations are intended to be made herein by Applicants and/or their attorneys that a complete search has been made or that the references cited on the enclosed PTO Forms SB08A and SB08B are the best art references available that may be pertinent to this application. Moreover, the filing of this statement shall not be construed to be an admission that the information cited in the statement is, or is considered to be, material to the patentability of this application as defined in 1.56(b).

REMARKS

None of the art cited on the attached PTO Forms SB08A and SB08B is believed to disclose or suggest the invention recited in the claims of the above-identified application. It is therefore believed that the claimed invention is patentably distinguishable over these references.

Please charge any fees that might be due in connection with this Information Disclosure Statement to Bose McKinney & Evans LLP's Deposit Account No. 02-3223.

Respectfully submitted,

BOSE McKINNEY & EVANS LLP
